**POTENTIAL THREATS TO SECURITY OF NAVIGATION**  
The information contained in this chart is intended to provide a general overview of security threats in the region. Further information about specific threats can be obtained from the Maritime Security Centre (MSC) or the Admiralty's Maritime Security Centre (AMSC).

**SECURITY OF NAVIGATION**  
The Admiralty's Maritime Security Centre (AMSC) provides a service to the shipping industry to ensure the security of navigation in the Persian Gulf and Arabian Sea. This is achieved through a number of measures, including the provision of security advice, the issuance of security alerts, and the provision of security escorts.

**SECURITY OF NAVIGATION**  
The Admiralty's Maritime Security Centre (AMSC) provides a service to the shipping industry to ensure the security of navigation in the Persian Gulf and Arabian Sea. This is achieved through a number of measures, including the provision of security advice, the issuance of security alerts, and the provision of security escorts.
