

UKMTO WARNING

018-26 - ATTACK

Report Date:

11 Mar 2026

Report Time:

0158UTC

Issue Date:

11 Mar 2026

Source

Master

UKMTO has received a report of an incident 25NM northwest of Ra's al Khaymah, UAE.

The Master of a container vessel has reported that the vessel has sustained damage from a suspected but unknown projectile. Extent of the damage is currently unknown but under investigation by the crew. The Master additionally reports that all crew members are safe and accounted for.

Vessels are advised to transit with caution and report any suspicious activity to UKMTO while authorities continue to investigate the incident.
