CSO/Third Party
Reports

UKMTO has received a report of an incident 31NM northwest of Dubai, United Arab Emirates.

The Company Security Officer reported an unknown projectile had struck their tanker on the starboard side causing a fire to the vessel. The crew are accounted for and safe.

No environmental impact has been reported.

Update 001: The CSO has confirmed the fire is extinguished, and there are no environmental implications resulting from the strike. UKMTO are unable to determine the source of the projectile and continue to investigate. Vessels are advised to transit with caution and report any suspicious activity to UKMTO.
